

# Love Has Come

Mark Schultz

Well, I know this life is filled with sorrow  
And there are days when the pain just lasts and lasts  
But I know there will come a day  
When all our tears are washed away with a break in the clouds  
His glory coming down and in that moment

Every knee shall bow, every tongue confess  
That God is love and love has come for us all  
Every heart set free, every one will see  
That God is love and love has come for us all

For anybody who has ever lost a loved one  
And you feel like you had to let go too soon  
I know it hurts to say goodbye  
But don't you know it's just a matter of time till the tears are gonna end  
You'll see them once again and in that moment

Every knee shall bow, every tongue confess  
That God is love and love has come for us all  
Every heart set free, every one will see  
That God is love and love has come for us all

Oh, and on that day we will stand amazed  
At our Savior, God and King  
Just to see the face of amazing grace  
As our hearts rise up and sing

Glory, glory, hallelujah  
Thank You for the cross  
Singing glory, glory, hallelujah  
Christ has paid the cost

Glory, glory, hallelujah  
Thank You for the cross  
Singing glory, glory  
Christ has paid the cost

And every knee shall bow, every tongue confess  
That God is love and love has come for us all  
Every heart set free, every one will see  
That God is love and love has come for us all

Love has come for us all  
Love has come for us all

And every knee shall bow, every tongue confess  
God is love and love has come for us all  
Every heart set free, every one will see  
God is love and love has come for us all

Every knee shall bow, every tongue confess  
God is love and love has come for us all  
Every heart set free, every one will see  
God is love and love has come for us all
