

Until I See You Again

Mark Schultz

Oh child, precious one
Let your life shine like the sun
But you say "How long 'til I can come home
'Til I can rest in your arms again"
And I say "Not long but don't miss this life and I'll be
Waiting 'til then"

Live with the wonder of a child
Pray with your arms thrown open wide
Love with a love that has no end
Until I see you again

Oh child, precious one
With each breath know you are loved
But you say "How long 'til I can come home
'Til I can rest in your arms again"
And I say "Not long but don't miss this life and I'll be
Waiting 'til then"

Live with the wonder of a child
Pray with your arms thrown open wide
Love with a love that has no end
Until I see you again
