

## Until I See You Again

Mark Schultz

Oh child, precious one  
Let your life shine like the sun  
But you say "How long 'til I can come home  
'Til I can rest in your arms again"  
And I say "Not long but don't miss this life and I'll be  
Waiting 'til then"

Live with the wonder of a child  
Pray with your arms thrown open wide  
Love with a love that has no end  
Until I see you again

Oh child, precious one  
With each breath know you are loved  
But you say "How long 'til I can come home  
'Til I can rest in your arms again"  
And I say "Not long but don't miss this life and I'll be  
Waiting 'til then"

Live with the wonder of a child  
Pray with your arms thrown open wide  
Love with a love that has no end  
Until I see you again
