## **Until I See You Again**

## **Mark Schultz**

Oh child, precious one
Let your life shine like the sun
But you say "How long 'til I can come home
'Til I can rest in your arms again"
And I say "Not long but don't miss this life and I'll be Waiting 'til then"

Live with the wonder of a child Pray with your arms thrown open wide Love with a love that has no end Until I see you again

Oh child, precious one
With each breath know you are loved
But you say "How long 'til I can come home
'Til I can rest in your arms again"
And I say "Not long but don't miss this life and I'll be Waiting 'til then"

Live with the wonder of a child Pray with your arms thrown open wide Love with a love that has no end Until I see you again
