

I'm Not Gonna Do Anything Without You

Mark Wills

I'm gonna make a promise
Starting tonight
If I don't do anything else
For the rest of my life

I'm gonna hold somebody
I'm gonna look in someone's eye
'Til I'm so overcome I start to cry
I'm gonna love somebody
More than anybody
Baby there's so much I wanna do
But I'm not gonna do anything without you

There's no way I'll ever give up
There's no way I'll ever lose

If I have to sacrifice everything
Then that's what I'll do

I'm gonna hold somebody
I'm gonna look in someone's eye
'Til I'm so overcome I start to cry
I'm gonna love somebody
More than anybody
Baby there's so much I wanna do
But I'm not gonna do anything without you

This is my dream I live and breathe
All I think about
This is the fire that burns in me
That will never go out

I'm gonna hold somebody
I'm gonna look in someone's eye
'Til I'm so overcome that I start to cry
I'm gonna love somebody
More than anybody
Baby there's so much I wanna do
But I'm not gonna do anything without you

Baby there's so much I wanna do
But I'm not gonna do anything without you
But I'm not gonna do anything without you
Anything Without you
