

Places I've Never Been

Mark Wills

I've never seen the sun set at Montigo Bay
But my heart melts when you look at me that way
And I've never seen the snow fall from a rocky mountain sky
But I get a chill just by lookin' in your eyes

'Cause you take me places I've never been
I travel the world in your arms and back again
I have no need to wander or go chasing those four winds
'Cause you take me places I've never been

I may never see the wonders on this earth
I may never hold treasures of great worth
I could search the whole world over but I don't have to go that
far
I've got it all right here in my arms

'Cause you take me places that I've never been
I travel the world in your arms and back again
I have no need to wander or go chasing those four winds
'Cause you take me places I've never been
'Cause you take me places I've never been
