

# What Are You Doing

Mark Wills

Every tomorrow, every yesterday  
I don't want to miss a minute of your grace  
What good is a sunset if it's not on your face  
Baby, all I wanna know is

What are you doin' with your heavy days?  
What are you doin' when the sun falls away?  
I wanna to see your soul forever in my eyes  
So what are you doin' for the rest of my life?

I wanna stop the desert in the hour glass  
And freeze the moment like a photograph  
And swim in the echo of your heart beatin' fast  
Until the credits roll

What are you doin' with your heavy days?  
What are you doin' when the sun falls away?  
I wanna to see your soul forever in my eyes  
So what are you doin' for the rest of my life?

Yeah, what are you doin' with your heavy days?  
What are you doin' when the sun falls away?  
I wanna to see your soul forever in my eyes  
So what are you doin' for the rest of my life?

What are you doin'?  
What are you doin'?  
What are you doin'?  
What are you doin'?
