

# What Love Is

Mark Wills

He starts your fire then he cools down  
He comes by when he wants you then he stops coming round  
You say his love's like nothing else  
You never felt so much  
What you're feeling might be something else  
But it don't look like love

'Cause love don't lie  
And love don't cheat  
Love don't promise what it can't keep  
And, love ain't someone you always miss  
Oh, won't you let me hold you  
And I will show what love is

I'll build a fire you can't put out  
I'll take you higher than you've ever dreamed about  
I know, it's hard to let him go  
But is he worth the pain?  
'Cause even though you say he cares  
Love don't look that way

'Cause love don't lie  
And love don't cheat  
Love don't promise what it can't keep  
And love ain't someone you always miss  
Oh, won't you let me hold you  
And I will show you that

Love don't lie  
And love don't cheat  
Love don't promise what it can't keep  
And love ain't someone you always miss  
Oh, won't you let me hold you  
And I will show what love is

And I will show you what love is
