

What Love Is

Mark Wills

He starts your fire then he cools down
He comes by when he wants you then he stops coming round
You say his love's like nothing else
You never felt so much
What you're feeling might be something else
But it don't look like love

'Cause love don't lie
And love don't cheat
Love don't promise what it can't keep
And, love ain't someone you always miss
Oh, won't you let me hold you
And I will show what love is

I'll build a fire you can't put out
I'll take you higher than you've ever dreamed about
I know, it's hard to let him go
But is he worth the pain?
'Cause even though you say he cares
Love don't look that way

'Cause love don't lie
And love don't cheat
Love don't promise what it can't keep
And love ain't someone you always miss
Oh, won't you let me hold you
And I will show you that

Love don't lie
And love don't cheat
Love don't promise what it can't keep
And love ain't someone you always miss
Oh, won't you let me hold you
And I will show what love is

And I will show you what love is
