

Fortune Teller

Markéta Irglová

Close your eyes and think of the future.
Picture yourself, now what do you see?
One year from now, two ten or twenty..
Tell me, tell me! What would you like to be?

A fortune teller, a treasure hunter?
A world explorer, a heaven seeker?
Or is being yourself satisfying enough?
Maybe all you dream of finding is
One True Love.

Guardian of a secret, temple fire keeper?
A truth protector, a dream collector?
Or is simply being yourself satisfying enough?
Maybe all you dream of keeping is
One True Love.

Find a fruitful branch to shake,
Careful not to make it break.
Find a piece of land to rake,
Spread your seeds and see them take.
