

# Have you ever been loved

Markéta Konvičková

we had last summer and i had to sit and watch you go.  
you gave me time but now i'm sitting here all alone.  
look out my window are you smiling to a setting sun.  
i start to wonder baby, wonder where it is you have gone.

thoughts running round in my head.  
was it something i said.  
i wanna be with you baby, wont to be with you again.  
and i,m stronger, stronger than a falling tree.  
but there's one thing, one thing that keeps on bugging me.

have you ever been loved.  
have you ever been loved like you wont too.  
have you ever been loved.  
have you ever been loved like i wont to.  
have you ever been loved.  
have you ever been loved like you wont to.  
have you ever been loved.  
have you ever been loved like i wont to love you right now.

echo'd affections changed directions as new seasons came. spring  
in my step with no regrets, and i feel no pain.  
i wont cry no more at the thought of what you have done.  
gonna start living my life, living my life and having some fun.

thoughts running round in my head.  
was it something i said.  
i wanna be with you baby; wont to be with you again.  
and i,m stronger, stronger than a falling tree.  
but there's one thing, one thing that keeps on bugging me

have you ever been loved.  
have you ever been loved like you wont to.  
have you ever been loved.  
have you ever been loved like i wont to.  
have you ever been loved.  
have you ever been loved like i wont to love right now.

now now, no need to fight it.  
now now, come out of hiding  
now now, with you here beside me  
i'd give you all the love in the world
