

# Love Rain Down

Markus Schulz

Empty dried out spaces in between  
The land is broken like my heart  
Feels like the desert in need  
Feels like the desert in need

Let your love rain down on me  
Love rain down on me  
Give me what I need  
Love rain down on me  
Yeah

Give me what I need  
Empty dried out spaces  
The land is broken like my heart  
Feels like the desert in need  
Let it rain x2

Let your love rain down on me  
Love rain down on me  
Give me what I need  
Love rain down on me  
Give me what I need
