

Love Rain Down

Markus Schulz

Empty dried out spaces in between
The land is broken like my heart
Feels like the desert in need
Feels like the desert in need

Let your love rain down on me
Love rain down on me
Give me what I need
Love rain down on me
Yeah

Give me what I need
Empty dried out spaces
The land is broken like my heart
Feels like the desert in need
Let it rain x2

Let your love rain down on me
Love rain down on me
Give me what I need
Love rain down on me
Give me what I need
