

# 10 Million

Marlon Roudette

Like di whole world ah cry  
Trouble can't ease me get no piece a mind  
Can't please everybody at di same time  
Me try fi breath but me only ever sigh  
Like di whole world ah cry

Ten million lives  
One lost in time  
I'm barely breathing  
They pass me by  
Won't catch my eye  
For ten million reasons

And I, never wanna let you down  
So I go unnoticed  
Are you going to leave me here?

Ten million different ways  
To see a man erased, erased  
(2x)

Me try fi breath but me only ever sigh  
Like di whole world ah cry

Trouble can't ease me get no piece a mind  
Can't please everybody at di same time  
Me try fi breath but me only ever sigh  
Like di whole world ah cry  
(2x)

One giant ride  
Me trapped inside  
While everyone's moving  
Changing headlines,  
The passing of time  
To me it's all the same thing

And I, I never seem to get close  
Though I'm making progress  
I can't believe you left me here

Ten million different ways  
To see a man erased, erased  
Me try fi breath but me only ever sigh  
Like di whole world ah cry  
(2x)

You, you took something from me  
And now I'm just an outcast alone on the streets  
I'm where I can't be seen  
Here as an outcast with no place to be

Ten million different ways  
To see a man erased, erased  
Me try fi breath but me only ever sigh  
Like di whole world ah cry
