

Je Suis Un Funky Homme

Marmaduke Duke

What's happenin' tonight, your love is so unreal
I'm the airbag in your fast car honey and you're the steering wheel
I'm sicker than a dog, a dog that's lost its bite
The toys are out the kennel baby and bitch you're outta sight

Je suis un funky homme
Du hast der grosse schwitzen

I love the way you shake that, shake that, use that, move that
Push in, pull back, twist this, twist that
Love me like I love me
