

## Je Suis Un Funky Homme

Marmaduke Duke

What's happenin' tonight, your love is so unreal  
I'm the airbag in your fast car honey and you're the steering wheel

I'm sicker than a dog, a dog that's lost its bite  
The toys are out the kennel baby and bitch you're outta sight

Je suis un funky homme  
Du hast der grosse schwitzen

I love the way you shake that, shake that, use that, move that  
Push in, pull back, twist this, twist that  
Love me like I love me
