Rubber Lover

Marmaduke Duke

Johnny had a pink rubber lover Pinned her to the roof of his house Went off and prophesied some good times Maybe he's just calling out

Funky all the way home It's regular except for the number Funky all the way home Funky all the way home

Girl, you're making me scream My rubber lover, Girl You're making me scream My rubber lover

Johnny had the ain of the lover Pinned her to the roof of his house Went off and prophesied some good luck Maybe he's just calling out

Funky all the way home It's regular except for the number Funky all the way home Funky all the way home

Girl, you're making me scream My rubber lover Girl, my rubber lover

Girl, you're making me scream My rubber lover (Funky all the way home, funky all the way home)

Girl, you're making me scream My rubber lover (Funky all the way home, funky all the way home) Girl
