

# Weird And Wonderful

Marmozets

I can see it in your right mind  
ever thought to wonder your not typical  
your weird and wonderful.  
But you will never know, no.

I personalities sometimes collide  
with an open mind, I need it physical.  
I want it weird and wonderful.

We will always fall just short.  
Remember what we where taught

Hold on tightly I will not come down making memories last.

Stay inside the family kill circle  
you'll be safe you'll be untouchable.  
You will always know your weird and wonderful.  
You will always know your weird and wonderful.

Hold on tightly I will not come down making memories last.  
Feel this energy poor my heart out making memories last.

I can see it in your right mind  
ever thought to wonder your not typical  
your weird and wonderful.

Hold on tightly I will not come down making memories last.  
Feel this energy poor my heart out making memories last.
