

## East Side Glory

Marnie Stern

Ah ah ahhaa  
Quick and silver paintings  
Everyone is faking  
And the gold rush comes undone  
Send me to the ancients  
Where they really changed it  
The plan was to do this forever  
Can I still?  
Too much hesitation  
Just go out and make it  
Can instinct come and go?  
Too much incubation  
Everyone is changin'  
I dont know why, I can barely hear  
Saved something for youuuu  
Quick and silver paintings  
Everyone is faking  
Can instinct come and go?  
I dont know why, I can barely hear!  
Wonder where I was when I went in the car last night  
Aaaaa aaaaaa Aaaaa aaaaaa
