

Hell Yes

Marnie Stern

When you mean the most a lot
And you see you've got a lot
Down and deep I'll never stop
Won't give this thing. Won't give it up
C'mon
I've got time, In my hands
I've got time
All I've got is time
When the missing doesn't stop
Loneliness will cut you up
Down and deep I'll never stop
Won't give this thing. Won't give it up
I've got time in my hands
All I've got is time
