

This American Life

Marnie Stern

Energy is just enough
Energy is ripe enough.
I'll draw a pyramid.
Now I'm in the American Revolution.
I think you walk your feet so right
You walk in line, you march, you march, you march, you march
You walk in line, you walk in line, you march, you march, you m
arch, you march
But I want to go back into the greek solution.
Mythology come take me away.
Mythology come take me away.

Repeat from top
Mythology come take me away.
Mythology come take me away
