

Best 4 U

Maroon 5

Yeah another night out
I get drunk, I get high
Then you call and I lie
And I say I'm on my way now
Yeah I say I'm on my way now

Show up when it's lights out
When you're dressing for work
And I'm mumbling words
I don't know what to say now
No, I don't know what to say now

Ya tell me I don't care
Tell me I never try
I said I'm sorry
Maybe a million times
It's gonna hurt ya
If I don't say goodbye
You don't believe me
You don't believe me

I just want the best for you
I just want the best for you
But I'm just not the best for you
You don't want
What I'm gonna put ya through

I just want the best for you
I just want the best for you
But I'm just not the best for you
You don't want
What I'm gonna put ya through

Oh-oh baby
Oh-oh baby
Oh-oh baby
You don't want
What I'm gonna put ya through

Parties with shots and powder
But, you rather sleep eight hours
And I know you got your doubts
Cause I can't turn this life around, baby
Thought it was just a phase
Till I woke up a thousand years later
Realizing I'm the same
As I was before I saw your face

Ya tell me I don't care
Tell me I never try
I said I'm sorry
Maybe a million times
It's gonna hurt ya
If I don't say goodbye
You don't believe me
You don't believe me

I just want the best for you
I just want the best for you
But I'm not just the best for you
You don't want
What I'm gonna put ya through

I just want the best for you
I just want the best for you
But I'm not just the best for you
You don't want
What I'm gonna put ya through

Oh-oh baby
Oh-oh baby
Oh-oh baby
You don't want
What I'm gonna put ya through

Oh-oh baby
Oh-oh baby
Oh-oh baby
I just want the best for you

Ya tell me I don't care
Tell me I never try
I said I'm sorry
Maybe a million times
It's gonna hurt ya
If I don't say goodbye
You don't believe me
You don't believe me

I just want the best for you (oooh)
I just want the best for you
But I'm not the best for you (for you)
You don't want
What I'm gonna put ya through

I just want the best for you (just want the best for you)
I just want the best for you (just want the best for you)
But I'm not the best for you (I'm not the best for you)
You don't want
What I'm gonna put ya through

Oh-oh baby (oh)
Oh-oh baby
Oh-oh baby
You don't want
What I'm gonna put ya through

Oh-oh baby (ya)
Oh-oh baby (ya)
Oh-oh baby
I just want the best for you

I just want the best for you
Oooh
