

# Hello

Maroon 5

Well I don't feel as if I know you  
You take up all my time  
The days are long and the nights will throw you away  
'Cos the sun won't shine

Nobody ever mentions the weather to make or break your day  
Nobody ever seems to remember, life is a game we play

We live in the shadows and we had the chance and threw it away  
And it's never gonna be the same  
'Cos the years are fallin' by like the rain  
It's never gonna be the same  
Until' my mind's knew, comes to my house and says  
Hello

There ain't no sense in feeling lonely  
They got no faith in you  
But I've got a feeling, you still owe me  
So wipe from your shoes

Nobody ever mentions the weather to make or break your day  
Nobody ever seems to remember, the life is a game we play

We live in the shadows and we had the chance and threw it away  
And it's never gonna be the same  
'Cos the years are fallin' by like the rain  
It's never gonna be the same  
Until' my mind's knew, comes to my house and says  
Hello, hello

Hello, hello, hello  
Hello, hello  
Hello, hello  
Oh yeah
