Woke up sweating from a dream With a different kind of feeling All day long my heart was beating Searching for the meaning

Hazel eyes I was so color blind We were just wasting time For my whole life We never crossed the line Only friends in my mind But now I realized

It was always you

Can't believe I could not see it all this time, all this time

It was always you

Now I know why my heart wasn't satisfied, satisfied

It was always youu

Youuu

No more guessing who

Looking back now I know it was always you always you

All my hidden desires finally came alive
No I never told a lie to you so why would I start tonight

Hazel eyes I was so color blind We were just wasting time For my whole life We never crossed the line Only friends in my mind But now I realized

It was always you

Can't believe I could not see it all this time, all this time

It was always you

Now I know why my heart wasn't satisfied, satisfied

It was always youu

Youuu

No more guessing who

Looking back now I know it was always you always you

Ahhhhhh oooooo You ou ou ou ou (repeat) Ahhhhh oooo You ou ou ou ou (repeat)

Woke up sweating from a dream With a different kind of feeling

It was always you

Can't believe I could not see it all this time, all this time

It was always you

Now I know why my heart wasn't satisfied, satisfied

It was always youu

Youuu

No more guessing who

Looking back now I know it was always you always you
