

## New Love

Maroon 5

I'll be Sunday moon tonight  
I can be whatever you like, oooh  
I was alone but I met it a few  
I wanna show you my feelings are real, yeah  
All this time I've been living it up  
And every night I'd be falling in love, oooh  
But I'm finally seeing the light  
Falling in love with you every night, yeah

But if I ever let you down  
If I ever let you down  
Forgive me, forgive me, now  
Would it kill you to forgive me now  
But if I ever let you down  
If I ever let you down  
Forgive me, forgive me, now  
Would it kill you to forgive me  
This is a new love  
This is a new love  
This is a new love  
Would it kill you to forgive me

What the f\*ck, I got nothing to lose  
I'm a slave of the way that you move, oooh  
I'm an addict for all that you do  
You're the only drug I wanna do, yeah  
I can tell that you're needing my love  
And all I want is to give it to you, oooh  
And don't give up on the moment tonight  
You'll regret it the rest of your life, yeah

But if I ever let you down  
If I ever let you down  
Forgive me, forgive me, now  
Would it kill you to forgive me now  
But if I ever let you down  
If I ever let you down  
Forgive me, forgive me, now  
Would it kill you to forgive me  
This is a new love  
This is a new love  
This is a new love  
Would it kill you to forgive me

I still don't get it  
Cause if you don't know it yet  
You'll know that I'm not your enemy, your enemy yeah  
Cause I know I lie  
And it wouldn't kill you child  
Won't go until you've forgiven me, forgiven me  
Till you forgiven me, forgiven me, forgiven me

But if I ever let you down  
If I ever let you down  
Forgive me, forgive me, now  
Would it kill you to forgive me now  
But if I ever let you down

If I ever let you down  
Forgive me, forgive me, now  
Would it kill you to forgive me  
This is a new love  
This is a new love  
This is a new love  
Would it kill you to forgive me
