

Sunday Morning

Maroon 5

1. Sunday morning rain is falling
Steal some covers share some skin
Clouds are shrouding us in moments unforgettable
You twist to fit the mold that I am in
2. But things just get so crazy living life gets hard to do
And I would gladly hit the road get up and go if I knew
That some day it would lead me back to you
That some day it would lead me back to you

R: That may be all I need
In darkness she is all I see
Come and rest your bones with me
Driving slow on Sunday Morning and I never want to leave

3. Fingers trace your every outline
Paint a picture with my hands
Back and forth we sway like branches in a storm
Change of weather, still together when it end

R: That may be...
