

# Sweetest Goodbye

Maroon 5

Where you are seems to be,  
As far as an eternity  
Outstretched arms open hearts,  
And if it never ends then when do we start?

I'll never leave you behind  
Or treat you unkind  
I know you understand  
Ooh And with a tear in my eye,  
Give me the sweetest goodbye

That I ever did receive  
Pushing forward and arching back  
Bring me closer to heart attack  
Say goodbye and just fly away  
When you comeback  
I have some things to say  
How does it feel to know you never have to be alone  
When you get home  
There must be someplace here that only you and I could go  
So I can show you how I...

Dream away everyday  
Try so hard to disregard  
The rhythm of the  
rain that drops  
And coincides with the beating of my heart  
I'll never leave you behind  
Or treat you unkind  
I know you understand yeesh yeesh yeesh

And with a tear in my eye  
Give me the sweetest goodbye  
That I ever ever ever did receive  
Pushing forward and arching back  
Bring me closer to heart attack  
Say goodbye and just fly away  
When you comeback

I have some things to say  
How does it feel to know you never have to be alone  
When you get home

There must be someplace here that only you and I could go  
So I can show  
you how I... Feel feel feel feel
