

# Tangled

Maroon 5

I'm full of regret  
For all things that I've done and said  
And I don't know if it'll ever be ok to show  
My face 'round here  
Sometimes I wonder if I disappear

Would you ever turn your head and look  
See if I'm gone  
Cause I fear

R: There is nothing left to say to you  
That you wanna hear  
That you ought to know  
I think I should go  
The things I've done are way too shameful

You're just an innocent  
A helpless victim of a spiders web  
And I'm an insect  
Going after anything that I can get

So you better turn your head and run  
and don't look back  
Cause I fear

R: There is nothing left...

And I've done you so wrong  
Treated you bad  
Strung you along  
Oh shame on myself  
I don't know how I got so tangled
