Tangled

I'm full of regret For all things that I've done and said And I don't know if it'll ever be ok to show My face 'round here Sometimes I wonder if I disappear Would you ever turn your head and look

See if I'm gone Cause I fear

R: There is nothing left to say to you That you wanna hear That you ought to know I think I should go The things I've done are way too shameful

You're just an innocent A helpless victim of a spiders web And I'm an insect Going after anything that I can get

So you better turn your head and run and don't look back Cause I fear

R: There is nothing left...

And I've done you so wrong Treated you bad Strung you along Oh shame on myself I don't know how I got so tangled
