

The Man Who Never Lied

Maroon 5

Ooo000ooo000 ooo000 ooo000
000ooo000ooo ooo000 000ooo
Ooo000ooo000 ooo000 ooo000
000ooo000ooo ooo000 000ooo

In the middle of, Hollywood boulevard
Screaming at each other, screaming at each other
Like, oh, oh, oh, can't take it anymo (oh), oh, oh.
Like a tragedy, like a dark comedy
Laughing at each other, laughing at each other
Like, oh, oh, oh, it isn't funny anymo (oh), oh, oh.

I was the man who never lied,
Never lied until today.
But I just couldn't break your heart,
Like you did mine yesterday.
I was the man who never lied, ooo000ooo ooo000 000ooo.
I was the man who never lied, ooo000ooo ooo000 000ooo, yeah.

Sometimes honesty, is the worst, policy.
Happy ever after, happy ever after
Let it go, oh, oh, you never need to know, oh, oh.
I don't wanna be, picking up, all of these, tiny little pieces, tiny little
pieces
Of your hea-a-art. Won't do it anymo (oh), oh, oh.

I was the man who never lied,
I never lied until today.
But I just couldn't break your heart,
Like you did mine yesterday.
I was the man who never lied, ooo000ooo ooo000 000ooo.
I was the man who never lied, ooo000ooo ooo000 000ooo.

I was the (I was the)... yeah... yeah-aaah... ohh... ohh.

In the middle of Hollywood boulevard,
What am I doin, Hollywood boulevard,
In the middle of Hollywood boulevard,
Screaming at each other, screaaam.

I was the man who never lied,
I never lied until today.
But I just couldn't break your heart,
Like you did mine yesterday.

(I was the man) I was the man who never lied,
(Yeah, I was that man) Never lied until today (Oooh)
But I just couldn't break your heart, (Oooh)
Like you did mine yesterday (Yeah, yeah)
I was the man who never lied (yeah, I was that man), ooo000ooo ooo000 000ooo
(I was the man)
I was the man who never lied (I was the man), ooo000ooo ooo000 000ooo
(Yeah)
