

This Love

Maroon 5

1. I was so high I did not recognize
the fire burning in her eyes,
chaos that controlled my mind....
Whispered goodbye and she got on a plane
Never to return again
But always in my heart

R: This love has taken its toll on me
She said goodbye too many times before
Her heart is breaking in front of me
I have no choice, cause I won't say goodbye anymore

2. I tried my best to feed her appetite
Keep her coming every night
So hard to keep her satisfied
Kept playing love like it was just a game
Pretending to feel the same
Then turn around and leave again

R: This love has taken...

3. I'll fix these broken things
Repair your broken wings
And make sure everything's alright
My pressure on her hips
Sinking my fingertips
To every inch of you
Cause I know that's what you want me to do

R: This love has taken...
