

# Through With You

Maroon 5

Can you see me  
Floating above your head  
As you lay in bed  
Thinking about everything  
That you did not do  
Cause saying I love you  
Has nothing to do with meaning it

And I don't trust you  
Cause every time you're here  
Your intentions are unclear  
I spend every hour waiting for a phone call  
That I know will never come  
I used to think you were the one  
Now I'm sick of thinking anything at all

You ain't ever coming back to me  
That's not how things were supposed to be  
You take my hand just to give it back  
No other lover has ever done that

Do you remember  
The way we used to melt  
Do you remember how it felt  
When I touched you  
Oh cause I remember very well

And how long has it been  
Since someone you let in  
Has given what I gave to you

And at night when you sleep  
Do you dream I would be there  
Just for a minute or two do you?

You ain't ever coming back to me  
That's not how things were supposed to be  
You take my hand just to give it back  
No other lover has ever done that

Heartache heartache I just have so much  
A simple love with a complex touch  
There is nothing you can say or do  
I called to let you know I'm through with you
