

# Wait

Maroon 5

Dirty looks from your mother  
Never seen you in a dress that color, no  
It's a special occasion  
Not invited but I'm glad I made it

Oh, let me apologize  
I'll make up, make up, make up, make up for all those times  
Your love, I don't wanna lose  
I'm thinkin', thinkin', thinkin', thinkin', begging you

Wait, can you turn around, can you turn around?  
Just wait, can we work this out, can we work this out?  
I'll just wait  
Can you call me please? Cause I wanna be with you  
Oh, wait, can you turn around, can you turn around?  
Just wait, can we work this out, can we work this out?  
Just wait  
Can you call me please? Cause I wanna be with you

Can we talk for a moment?  
Got these feelings that I'm tired of holding, oh  
Wasn't tryna get wasted  
I needed more than three or four to say this

Oh, let me apologize  
I'll make up, make up, make up, make up for all those times  
Your love, I don't wanna lose  
I'm thinkin', thinkin', thinkin', thinkin', begging you

Wait, can you turn around, can you turn around?  
Just wait, can we work this out, can we work this out?  
I'll just wait  
Can you call me please? Cause I wanna be with you  
Oh, wait, can you turn around, can you turn around?  
Just wait, can we work this out, can we work this out?  
Just wait  
Can you call me please? Cause I wanna be with you

You say I'm just another bad guy  
You say I've done a lot of things I can't undo  
Before you tell me for the last time  
Im beggin', beggin', beggin', beggin' you

Wait, can you turn around, can you turn around?  
Just wait, can we work this out, can we work this out?  
I'll just wait  
Can you call me please? Cause I wanna be with you  
Oh, wait, can you turn around, can you turn around?  
Just wait, can we work this out, can we work this out?  
Just wait  
Can you call me please? Cause I wanna be with you
