

Wake Up Call

Maroon 5

1. I didn't hear what you were saying
I live on raw emotion baby
I answer questions, never maybe
And I'm not kind if you betray me
So who the hell are you to save me?
I never would've made it baby

X: If you needed love Well then ask for love
Could have given love Now I'm taking love
And it's not my fault Coz you both deserve
What's coming now So don't say a word

R: Wake up call Caught you in the morning with another man in my bed
You don't care about me anymore. Care about me? I don't think so
Six foot tall came without a warning so I had to shoot him dead
He won't come around here anymore, come around here?
I don't feel so

2. Would have bled to make you happy
You didn't need to treat me that way
And now you beat me at my own game
And now I'm finally sleeping soundly
And your lover's screaming loudly
I hear a sound and hit the ground

R: Wake up call...

*: I'm so sorry darling
Did I do the wrong thing? Oh, what was I thinking?
Is his heart still beating?
