## Won't Go Home Without You

## Maroon 5

I asked her to stay, but she wouldn't listen She left before I had the chance to say Oh The words that would mend

The things that were broken

But now it's far too late, she's gone away

Every night you cry yourself to sleep Thinking: "Why does this happen to me? Why does every moment have to be so hard?" Hard to believe it

It's not over tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you

The taste of her breath, I'll never get over The noises that she made kept me awake  $\ensuremath{\text{Oh}}$ 

The weight of the things that remained unspoken Built up so much it crushed us everyday

Every night you cry yourself to sleep Thinking: "Why does this happen to me? Why does every moment have to be so hard?" Hard to believe it

It's not over tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you

Whoa, oh, oh, oh

It's not over tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you

Whoa, oh, oh, oh

Of all the things I felt but never really shown Perhaps the worst is that I ever let you go I should not ever let you go, oh oh oh

It's not over tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you

Whoa, oh, oh, oh

It's not over tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you

And I won't go home without you And I won't go home without you I won't go home without you
