

## Still Believe In What Has Fallen Apart

Maroon

This foundation of my existence.  
A lifetime commitment to self- domination.  
The oath that lasts forever ...forever!  
An oath that keeps me free from their hypocrisy.

A COMMITMENT FOR LIFE...  
A COMMITMENT FOR LIFE - VEGAN!  
A COMMITMENT FOR LIFE - STRAIGHT EDGE!

My heart is dedicated.  
To this promise of inner strength.  
Still believing In what has fallen apart.  
I STILL BELIEVE I STILL BELIEVE...

A COMMITMENT FOR LIFE...  
A COMMITMENT FOR LIFE- VEGAN!  
A COMMITMENT FOR LIFE- STRAIGHT EDGE!  
08. BENEATH THE ASHES

Beneath the ashes, I search for evidence.  
I search for substance to prove existence.  
Destroyed by the hands of man.  
Something is lost forever... has died forever!

Our hands- are covered with blood.  
Our behaviour- is driven by greed.  
We will soon- fade to an memory.  
Of a culture- ceased by ignorance.

SOMETHING'S LOST FOREVER!

Beneath the ashes, I search for evidence.  
I search for substance to prove existence!

Mortality removed by technology.  
Humanity killed by mankind.

Beneath the ashes, I lost the hope to find some prove.  
Of a civilised culture cause something... has died  
forever!

SOMETHING'S LOST FOREVER!
