

# Give Your Love a Try

Marques Houston

I've been running for so long, baby  
That it gets easy every time around  
And I know it might seem crazy  
But I noticed you loving me  
So I'm not gonna run no more

And girl, I'm a give your love a try  
Your love a try  
I'm a give your love a try  
Your love a try  
I'm a give your love a try  
Your love a try  
I'm a give your love a try  
Your love a try  
I'm a give your love a try

This one I face, so unusual  
When I feel it coming on I wanna turn around  
And I know it might seem crazy  
But I noticed you loving me, girl  
But I'm not gonna run no more

And girl, I'm a give your love a try  
Your love a try  
I'm a give your love a try  
Your love a try  
I'm a give your love a try  
Your love a try  
I'm a give your love a try  
Your love a try  
I'm a give your love a try

If I fall in love with you maybe it won't be so bad, baby  
And I can guarantee it will be the best you've ever had, baby  
If I fall in love with you maybe it won't be so bad, baby  
And I can guarantee it will be the best you've ever had, baby

Girl, let's give it a try  
I ain't gonna lie, I'm not the typical guy  
Bullshit ain't gonna just slide  
This gonna be hard, not just a walk in the park  
Just don't forget the bitches that broke my heart  
Taking it out on you, something I don't wanna do  
Fly apart from new ways, remove the graves from my darker days  
Realize this book just ain't the same, had to turn the page  
To become the man that I'm supposed to be  
Girl, get over here, you know I want that ass close to me

And girl, I'm a give your love a try  
Your love a try  
I'm a give your love a try  
Your love a try  
I'm a give your love a try  
Your love a try  
I'm a give your love a try  
Your love a try  
I'm a give your love a try

Your love a try  
I'm a give your love a try  
Your love a try  
I'm a give your love a try  
Your love a try  
I'm a give your love a try  
Your love a try  
I'm a give your love a try
