

He Ain't Me

Marques Houston

This is mattress music
And I am Marques Houston
You know that your ***** can't do it like this

He ain't got a flow like this
And he ain't got that stroke like this
And he can't curl them toes like this
I'm telling you the truth girl
And he can't make you scream like this
And he can't make you cream like this
Fulfill your sexy dreams like this
And I'm telling you the truth girl

He can't do them things that I do (he can't do the things that I do)
He can't touch your body like I do (he can't touch your body like I do)
Tell me what I got to do to prove to you (so what I got to do to prove to yo
u)
That he ain't
He can't do them things like I do (he can't do the things like I do)
He can't touch your body like I do (he can't touch your body like I do)
Tell me what I got to do to prove to you (so what I got to do to prove to yo
u)
That he ain't me

He cant lay you on your back like this
Make your body react like this
He can't make that *** clap like this
I'm telling you the truth girl
Have you coming out your clothes like this
He can't pull your clothes like this
He can't make your love explode like this
And I'm telling you the truth girl

He can't do them things like I do (yeah)
He can't touch your body like I do (he can't touch your body like I do)
Tell me what I got to do to prove to you (what I got to do)
That he ain't
He can't do them things like I do (he can't do the things like I do)
He can't touch your body like I do (he can't touch your body like oh oh)
Tell me what I got to do to prove to you (so what I got to do to prove to yo
u)
That he ain't me

Just ask the bed
Just ask the dresser
Just ask the curtains
Hold on to the bed tight
