

# I Can Be the One

Marques Houston

Baby I can be  
Your everything  
I can give you the world, if you just let me  
Anything you want I can do for you  
I can be your strength  
When you are weak  
Come with me  
I can show you what true love can be  
Can't imagine life, without you  
So just give me your time and I'll show you

I can be the one that stands by your side  
I can be the one that never makes you cry  
I can be the one that put the rock on your hand  
I can be the one that always understands  
I can be the one that will take you shoppin  
I can be the one that you talk about to all your friend  
I can be your everything that you need  
I can be the one, baby can't you see

Now its all on you  
Tell me what to do  
Girl I'm trying to give all my love to you  
Cause you can't deny that you feeling me  
Everything I get baby you will receive  
Want to be your friend  
Special bond within  
Me and you 'cause together we can win  
Can't imagine life, without you  
So just give me your time and I'll can show you

I can be the one that stands by your side  
I can be the one that never makes you cry  
I can be the one that put the rock on your hand  
I can be the one that always understands  
I can be the one that will take you shoppin  
I can be the one that you talk about to all your friend  
I can be your everything that you need  
I can be the one, baby can't you see

I can be the one the one you need  
Baby can't you see, I'm all you need  
I can be the one the you want  
I can be the one the one you need  
Baby can't you see, I'm all you need

I can be the one that stands by your side  
I can be the one that never makes you cry  
I can be the one that put the rock on your hand  
I can be the one that always understand  
I can be the one that will take you shoppin  
I can be the one that you talk about to all your friend  
I can be your everything that you need  
I can be the one, baby can't you see (oh)
