

# Letter

Marques Houston

Yeah  
You know what  
I, I just...  
I'm so frustrated right now  
I, I can't talk no more, I just  
Let me, let me just write you this letter  
Alright

Girl you got my mind so messed up  
I don't know what to do  
I'm sitting here so frustrated  
And it's all because of you  
And normally I try not to let what you do get to me  
So before I go and let my anger get the best of me

I'm writing you this letter, letter  
Cause if I don't then I'm gonna do something that I'll regret  
I'm writing you this letter, letter  
Cause in my mind I'm imagining knocking you off this bed  
I'm writing you this letter baby  
Here's the only thing left for me to do  
Cause my life is stuck on pause  
And I don't know what else to do  
And my mind hates your guts  
But my heart's still so in love with you

Today was bout the first time  
I felt like I could strangle you  
And I don't know where that came from  
Cause I ain't that type of dude  
All my niggas say I should quit giving you the time of day  
Cause they seen me unhappy  
But every time I try to leave you  
Somehow you get back with me

Oh  
I'm writing you this letter, letter  
Cause if I don't then I'm gonna do something that I'll regret  
I'm writing you this letter, letter  
Before I end up behind bars for cracking your head  
I'm writing you this letter baby  
Here's the only thing for me to do  
Cause my life is stuck on pause  
And I don't know what else to do  
Cause my mind hates your guts  
But my heart's still so in love with you  
Yeah yeah yeah

Ok baby  
This is hard enough for me to do  
But I, I gotta leave you  
It's just I can't keep going on like this  
Maybe you'll be happy  
Maybe you'll find somebody else  
Maybe I'll be happy  
But I just can't do this no more with you  
Love like we use to

Writing you this letter, letter  
Writing you this letter, letter  
Writing you this letter, letter  
Writing you this  
Said I'm writing you this  
Said I'm writing you this letter, letter  
Said I'm writing you, writing you,  
Writing you, writing you

Now my life's still stuck on pause  
And I don't know what else to do  
Cause my mind hates your guts  
But my heart's still so in love with you
