Marques Houston

I think you should know this  
Yeah  
Yo  
I'm trying to tell you right  
I know you got a man but  
I'm just tryna say  
I guess I'm trying to say is I'm just tempted to be with you

Now baby girl  
Let me explain to you  
Don't you walk away baby, I just wanna get next to you  
Just wanna get next to you  
I be that your man can't do for you what I can do for you  
And if we get the change then  
Maybe I could show you

Look I know that  
You're his girl  
But I can't help that I'm feeling you  
But it's just this one thing you should know

I'm tempted to touch you  
I'm tempted to kiss you  
I'm tempted to sex you  
I'm tempted to love you (what)  
Look I know you got a man  
But I'm still  
I'm tempted to touch you  
I'm tempted to kiss you  
I ain't trying to take you from your man  
But I'm  
Tempted  
Tempted

I'm not trying to run a game on you  
Just want to make a fantasy come reality  
You need to realize  
That I'm the one for you  
And if we get the change girl maybe  
I'm going to prove to you

Yeah  
You're so fine  
I'm just tripping like  
I'm just saying

Yo  
It's MH  
What else can I say?  
I know you got a man, but uhh  
I'm just tempted, you know what I'm saying  
I just want to see what it's like  
You know  
Me....you  
Maybe we can get together  
And get a bit to eat or something you know  
Or maybe we can get together and do something freaky, you know

I dunno, you tell me  
You know my number  
Hit me up  
Platinum Status  
What?  
Platinum Status  
I don't think you all heard  
I said Platinum status
