

Fuck N Get It Over With

Marsha Ambrosius

We both know we cant do this now,
So we may as well just fuck and get it over with.

I'm so over this!

Be careful what you ask for, cuz you might get it
I wanted you so bad, I let ya
have your way with me
Oh baby, oooh bae bay!

I knew that this would never last
and I may regret it
but I proceeded to go on, and you was going hard, eventually I
feel, and you was just so gone baby.

Baby the promises (made), the love we make, between the sheets
, and on the stairs, the kitchen floor.
I wanted more of you, yeah!

Starry nights, to the early morn, my cousin's couch, the colle
ge dorms, and we just can't do this no more. We gone regret it
baby!

We both know it ain't gonna work out (oh no), so we may as wel
l just fuck and get it over with, one last time and get it over
with (get it over with)

We both know we can't do this now, so we may as well just fuck
and get it over with, one last night, oh I'm so over this, jus
t for now, just for now, just for now, till I'm ready baby (bay
bay).

We both know we can't do this now, fuck and get it over wit ba
by, I'm so over this, yeaah!

Be careful what you ask for, because it will happen, I needed
you so bad I let it happen, and now I'm so mad at you for letti
ng you back in baby (bay bay), I never meant to take it this fa
r, but here we are now

You proceeded to go in, and I let down my guard down for these
silly games, and I feel for you so hard baby, so many promises
(made), loved we shared, out on the deck, and to the back doub
le U hotel, you knew me well, for sure.

Starry nights, to the break of dawn, my momma house, I wanted
more and I just can't keep giving you my all, but I can't forge
t you baby.

We both know it ain't gonna work out (workout), so we may as well just fuck and get it over with (get it over with), one last time and get it over with (get it over with) baby, We both know we can't do this now, so we may as well just fuck and get it over with, one last night, oh I'm so over this, just for now, just for now, so hard to let you go baby (good good), ooh your love is so good to me (so good, good, good, good, oh so good) said it's so hard, to let you go, and I can't stop, cuz I love you soo

We both know it ain't gonna work out (but it ain't gonna work out baby), so we may as well just fuck and get it over with (fuck and get over with) one last time and get it over with (get it over with)

We both know we can't do this now (no we can't do this now baby), so we may as well just fuck and get over with (fuck n get it over it), one last night oh I'm so over it (one night n get it over with baby), just for now, just for now, ooooh mmmm said we both know we cant do this now, so we may as well just fuck and get it over with, one last night and get over with baby (bay bay!)
