

# I Wanna Touch

Marsha Ambrosius

Uh I wanna touch wanna touch  
Just I'm gonna get you so high so high  
So high you're gonna wanna make love, love  
And then we gonna have to... and do what you want.  
I wanna touch wanna touch  
Just I'm gonna get you so high so high  
So high you're gonna wanna make love, love  
And then we gonna have to... and do what you want.

Is the end of the night got you on my mind  
So I'm coming to you baby  
Wanna take you wanna ride min trip into desires  
Got you fantasizing baby yeah  
Can't tell you how long I've been waiting for the one  
Baby feel the way that you do  
Put a smile on my face every time baby  
Love it when you do that to me  
I want to do that baby  
I want to do that darling  
So come on, come on, come on  
Baby

Uh I wanna touch wanna touch  
Just I'm gonna get you so high so high  
So high you're gonna wanna make love, love  
And then we gonna have to... and do what you want.  
I wanna touch wanna touch  
Just I'm gonna get you so high so high  
So high you're gonna wanna make love, love  
And then we gonna have to... and do what you want.

Yeah no... but I had to let you know how I'm feeling bout you baby  
Never been so sure do everything more than me  
You drive me crazy  
Sip a lil' something while I sing a lil something to get you where you need to be  
Can't wait to get you here with me  
Come baby and do, darling, do me baby  
Come on, come on

I know just how you feel show just how you feel  
Do pretend... and take no more  
Just come on, come on baby come on, come on baby

Wanna touch you baby
