

Take Care

Marsha Ambrosius

Uh, get here
I... (get here, get here)
Oh, I... (get here, get here)

Get here, baby, right away
I got you a place to stay
And you won't ever wanna leave
Once you're here with me, yeah
And you can tell just how I feel
I been wanting you for real
And it don't take a lot to tell
That, boy, for you I fell so deep
(Deep, deep, deep, deep, deep, deep)
Oh, so
(Deep, deep, deep, deep, deep, deep)
Boy, I can't control that you got a hold on me, yeah

I (oh I) I wanna love you I need ya right now
Could you get here so you can take care of me
I (oh I) I wanna love you, so be on your way
Oh, baby, so you can take care of me
Of me, of me

Oh, we don't gotta rush into
What we are about to do
Of you I can't get enough
I'm gonna make you fall in love
So good that I been seein' stars
All the way there so far
And it don't take a lot to see
That, boy, you're the one for me
(Me, me, me, me, me, me)
You're the one for me
(Me, me, me, me, me, me)
And, boy, I can't control that you got a hold on me

I (oh I) I wanna love you I need ya right now
Could you get here so you can take care of me
I (oh I) I wanna love you, so be on your way
Oh, baby, so you can take care of me
Of me, of me

I want to give all my love to you
You
Oh, I wanna stay to go
All the way

I (oh I) I wanna love you I need ya right now
Could you get here so you can take care of me
I (oh I) I wanna love you, so be on your way
Oh, baby, so you can take care of me
Of me, of me
