

## Tears

Marsha Ambrosius

Hey baby  
I thought I'd never see you again  
I can't believe you're here  
Please  
Please listen to what I have to say

First of all let me say that I missed you baby  
For real  
I'm worst off than I've been I feel so much pain  
Cried so many tears  
Leaving you was the biggest mistake I could have made  
And I did oh yes I did  
What I could without you baby  
But it just ain't the same without you here

Oh oh the tears  
Falling all down right now  
Please could you hear me out  
See I'm a grown women and I ain't too proud  
So I'm begging you stay with me  
I want you back don't you leave me here

Tears  
All these tears  
My dear  
I'm begging you baby

Begging you stay with me I want you back don't you leave me here  
here here here  
I'm begging you stay with me I want you back don't you leave me  
here here here oh here
