A Wondrous Place

Marshall Crenshaw

I found a place full of charms A magic world in my baby's arms Her soft embrace like satin lace A wondrous place Oh what a spot in the storm To cuddle up and stay nice and warm Away from harm in my baby's arms A wondrous place Man I'm nowhere When I'm anywhere else But I don't care Everything's right when she holds me tight Her tender hands on my face And I'm in heaven in her embrace I want to stay and never go away A wondrous place Mmmmmmmm Man I'm nowhere When I'm anywhere else But I don't care Everything's right when she holds me tight Her tender hands on my face And I'm in heaven in her embrace I want to stay and never go away A wondrous place Mmmmmmmm
