

## Let Her Dance

Marshall Crenshaw

Well there she goes with a brand new love affair  
Dancin' with him like she don't even care  
Well let her dance with him  
Let her dance all night long  
Well, who would've known that just yesterday  
She danced with me the very same way?  
Well let her dance with him  
Let her dance all night long

Well let her dance with him all night long  
Let her dance to our favorite song  
Well let her dance with him  
Let her dance all night long

Well, I'll find me a new love  
And then she'll see  
Someone else will be dancing with me  
Let her dance with him  
Let her dance all night long
