

# Mary Anne

Marshall Crenshaw

It isn't such a crime  
It isn't such a shame  
It happens all the time  
You shouldn't take the blame  
Go on and have a laugh  
Go have a laugh on me  
Go on and have a laugh  
At all your misery

Mary Anne, Mary Anne (don't cry Mary Anne)  
I really wanna tell you Mary Anne, Mary Anne  
I'm thinking of you  
Mary Anne, Mary Anne (don't cry Mary Anne)  
I really wanna tell you Mary Anne, Mary Anne, Mary Anne

You take a look around  
And all you seem to see  
Is bringing you down  
As down as you can be  
Go on and have a laugh  
Go have a laugh on me  
Go on and have a laugh  
At how bad it can be

Mary Anne, Mary Anne (you'll be all right)  
I really wanna tell you Mary Anne, Mary Anne  
I'm thinking of you  
Mary Anne, Mary Anne (you'll be all right)  
I really wanna tell you Mary Anne, Mary Anne, Mary Anne

Mary Anne, Mary Anne (goodnight Mary Anne)  
I really wanna tell you Mary Anne, Mary Anne  
I'm thinking of you Mary Anne, Mary Anne (goodnight Mary Anne)  
I really wanna tell you Mary Anne, Mary Anne, Mary Anne
