

# Somebody Like You

Marshall Crenshaw

I'm so bewildered when I think about you  
How can you mean all the things that you do?  
Well baby

Somebody, somebody like you  
Somebody, somebody like you  
Somebody, somebody like you

I shouldn't be expectin' too much  
From somebody like you  
I cannot stand and knows you're listenin' too  
Why did I ever get involved with you?

Hey baby  
Somebody, somebody like you  
Somebody, somebody like you  
Somebody, somebody like you

I shouldn't be expectin' too much  
From somebody like you  
Now it's hurts me to concede  
That I ever believed a single word you said

Now I feel just like a fool  
And it's puttin' such a strain on my heart and my head  
Some people know a thing or two  
But then some people are people like you

Hey baby  
Somebody, somebody like you  
Somebody, somebody like you  
Aw somebody, somebody like you

I shouldn't be expectin' too much  
From somebody like you  
Now some people know a thing or two  
And then some people are people like you

Oh baby  
Somebody, somebody like you  
Now somebody, somebody like you  
Aw somebody, somebody like you

I shouldn't be expectin' too much  
From somebody like you  
Somebody like you...
