

# Terrifying Love

Marshall Crenshaw

Terrifying love  
Whoa, oh, terrifying love  
Whoa, oh, terrifying love  
I could never get enough  
Of whatever she's giving up  
Terrifying love  
Whoa, oh, terrifying love  
Oh, oh, terrifying love  
I'll never walk out alive  
Who knows how long I'll survive  
This terrifying love

You know this is terrifying love  
She said "Now why don't we go for a drive?"  
And it never once crossed my mind  
That what she was talking 'bout  
Was a drive to the end of time  
I'm doing whatever her heart demands  
Matters are no longer in my hands

Oh terrifying love  
Whoa, terrifying love  
Oh, oh, terrifying love  
And I could never get enough  
Of whatever she's giving up  
Terrifying love,  
Whoa, terrifying love,  
Oh, oh, terrifying love  
It's got a lock on my life,  
Who knows how long I'll survive

This terrifying love  
Well, this is terrifying love  
I want to summon up my pride  
And leave this bad dream behind  
But the way out of her world  
Is something I just can't find  
I take one look in her eyes and then  
And I'm drawn right back in again, no!

Terrifying love  
Oh, oh, terrifying love  
Oh, oh, terrifying love  
It started innocently  
And look what it's come to be  
Terrifying love  
This is terrifying love  
I guess I've been overwhelmed somehow  
Got no power over anything now

Oh, terrifying love  
Whoa, terrifying love  
Oh, terrifying love, just a shell anymore  
My number is up for sure  
Oh, I said terrifying love  
Whoa, terrifying love  
Oh, oh, terrifying love

But I could never get enough  
Of whatever she's giving up

Terrifying love  
This is terrifying love  
Oh, this terrifying love  
You know this is terrifying love
